We play the first half of our Lifeline save game from the end of the Undead War arc, and try to get better gear for the next wave of the outbreak. To play along at home, make sure you have some proxies and internet access until the end of the video. Then, as usual, leave a comment letting us know what you thought, and subscribe for more like it! GET 'EM OFF THE INTERNET: The Internet isn't just playing an essential role in our lives, it is a life-or-death aspect of life. It can be in the form of a natural disaster or malfunction, and can be dangerous for citizens, police, and firemen. "Cult of Patrick" will investigate what it is that has gone wrong in this episode, but we will also advise on how to survive in a dangerous world.
